Employment History:

Interactive Instructional Media Production Lead

Georgia Tech Research Institute (GTRI); Atlanta, GA

July 2014 - Present (employee)

Aug 2013 - July 2014 (contractor)

Create 3D and Flash/Animate animations, 3D modeling, custom vector graphics, UI, branding, PowerPoint slides, logos, brochures, posters, and illustrations. Provide graphic and artistic support for various promotional and educational events on campus and at GTRI.

Freelance Artist

Atlanta, GA

July 2006 - Present

Develop and create original Flash/Animate illustrations and graphics, 3D modeling, animation, and hand-drawn illustrations. Clients have included Equifax, The Home Depot, Piggy Toes Press/Whitman Publishing, FootSmart (RR Donnelley), Allied Barton, and Shaw Science.

Senior UI Designer

Matrix Resources; Atlanta, GA

Feb 2011 - Dec 2012 (contractor)

Under tight deadlines, designed multiple product packages, company branding, 3D and vector icons, website UI, and product brochures for a variety of clients.

Artistic Director

Fried Green Apps; Norcross, GA

June 2009 - Sept 2010

Created UI illustrations, graphics, and animations for iPhone apps including *Mix Me In* and *Mix Me In2 Taylor Swift*, as well as *Golf My Way* featuring Jack Nicklaus.

Senior 3D Artist

Studiocom; Atlanta, GA

May 2008 - Sept 2008 (Job eliminated due to corporate restructuring)

Completed 3D models, animations, and storyboard projects for clients including Home Depot, Hot Wheels, Dunkin Donuts, Ferrari, Mattel, Disney, and McCormick.

Senior Graphic Designer

The Home Depot; Atlanta, GA

Aug 2007 - Jan 2008 (Job eliminated in mass layoff of 500 employees)

Produced 3D and Flash/Animate animations, graphics, storyboards, and concept illustrations for eLearning courseware.

Senior Artist

Janus Research Group, Inc.; Marietta/Augusta, GA

July 2006 - Aug 2007

Developed 3D and Flash/Animate animations, 3D modeling, storyboards, and concept illustrations for major government entities including the US Army and the National Institutes of Health (NIH). Collaborated with NIH to ensure appropriate character, content, and scene design for their 3D virtual training.

Media Production Artist

The Home Depot; Atlanta, GA

Feb 2000 - July 2006

Produced 3D and Flash/Animate animations, graphics, storyboards and concept illustrations for eLearning courseware.

3D Animator - Weatherford Communications (Atlanta, GA) July 1997 - Jan 2000

3D Animator, Graphic Artist - Wild Dog Studios (Atlanta, GA) Feb 1995 - June 1997

Cartoonist - Computer Studio (Smyrna, GA) Apr 1994 - July 1994

Production Artist - Lakewood Apparel (Boca Raton, FL) Aug 1993 - Mar 1994

Education:

B.A., Studio Art; **University of West Florida**, 1993

Awards:

2004: **Telly Award** - Star94 FM TV commercial

2000: **Emmy Award** – Outstanding Individual Achievement, Graphic Artist: Georgia Public Broadcasting (GPB), *Salsa*
